Pizza Self 24 h by Cierreci is the leader in the hot vending machine industry, present in Italy and in the world, especially in North and East Europe. It's a real "Cooking & Pizza Vending Machine" - an automatic hot pizza distributor with delicious ready-to-eat pizzas. Pizza Self 24 h is available in two models: with 1 fridge or 2 fridges.

**Technology, flavour and quality**
Pizza Self 24 h is able to bake and churn a pizza in less than three minutes. The pizzas have previously been cut and are packaged in a practical resealable pizza box. An "Emilian" excellence in terms of technology, construction and food quality, thanks to certified suppliers.

**Technical Support, training and professionalism**
Purchasing Pizza Self 24 h means to also have constant Technical Support available: the routine and special maintenance in case of need is guaranteed by qualified Cierreci personnel. We also have available training courses in our factory, for those assigned any maintenance roles to handle the dispenser.

Pizza Self dispenser pizzas are:
- 1 or 2 flavors, up to 84 pizzas (42 pizzas for fridge)
- previously cooked, frozen and stockpiled
- previously cut and packaged in a convenient pizza box

**Where to use**
PIZZA COOKING & FOOD CORNER is all over the world

- Cinemas
- Petrol Stations
- Hotels
- Restaurants
- Stadiums
- Shopping Centres
- Train Stations
- Schools
- Offices
- Car Parks
